COMMUNICATION CASE PRESENTATION**

# **Armenia's Climate Agenda Ahead of COP28: Stop & Reflect**

**EU4Climate's official closing event and Steering Committee meeting**

16 November 2023, Brussels

## Event

On 30 October, the national workshop on “**Stop and reflect ahead of COP28: National Annual Stock-take of NDC Implementation Progress**” was organized jointly by UNDP Armenia and the Ministry of Environment, in the frames of **EU4Climate**.

## Purpose

Ahead of COP28, the workshop aimed at **building a dialogue** between the Government, private sector and development partners on the **implementation progress of the country’s commitments under Paris Agreement**.

## Participation

The conference was attended by more than **90 participants** from the Ministries, respective state agencies, international and donor organizations, UNDP in Armenia and NDC Partnership Support Unit.

## Topics

- ✓ Draft **LT-LEDS** of Armenia, Draft **Climate Law** of Armenia
- ✓ **Sectoral updates** on Mitigation and Adaptation, partners’ achievements
- ✓ **Tracking** the implementation of **Paris Agreement** at the national level
- ✓ **Green Taxonomy**, **Article 6** mechanism to support NDC implementation
